INNOVABRIDGE

PLAN INTERNATIONAL

Network of professionals, dedicated to increase resilience of women and men, communities and governments, to all aspects of DRR and ACC

- Mutual learning & exchange
- Conceptual support
- Advocacy

- Since 2011
- 17 organisations
- Co-funded by SDC
- www.drrplatform.org

Previous Platform events

SWISS NGO DRR PLATFORM

DRR & water / WASH a key topic in various events:

- DRR & WASH 2014/15: expert workshop / learning event
- Aguasan 2015: DRR in WASH
- F2F 2015: Integrated Floods management
- WOCAT publication and F2F 2017 on EcoDRR

Introduction to DRR and water

SWISS NGO DRR PLATFORM

separate Presentation (Eveline / Agnes)

Discussion

SWISS NGO DRR PLATFORM

1) **Main reason why to consider DRR in WASH / water projects?**

2) **Which are major gaps and challenges**

3) **Your entry points and experience to address these gaps?**

(Poster/factsheet presentation)

4) What more do DRR/water practitioners need?

Case studies I: WASH and DRR

SWISS NGO DRR PLATFORM

separate Presentations:

- Early warning system in Nepal (Thomas Kalytta, World vision)
- WASH and DRR in an emergency flood response in Madagascar (Cyril Eicher, Medair)

Experience sharing

SWISS NGO DRR PLATFORM

separate Presentation:

WASH-intervention in post-disaster situations lessons learnt and recommendations (Agnes, Helvetas)

Case studies II: IWRM

SWISS NGO DRR PLATFORM

separate Presentations:

- Watershed management & DRR in Guatemala (Monika Hess, Vivamos mejor)
- WUMP-tool for IWRM (Agnes Helvetas)

Tools & Guidance

SWISS NGO DRR PLATFORM

Group discussion

SWISS NGO DRR PLATFORM

- **Group 1: Local focus (WASH infrastructre/local measures)**
- **Group 2: IWRM /broader watershed focus**

- **3 main entry points for DRR / factors of sucess**

- **3 main resources / inputs required therefore**

Concluding remarks

SWISS NGO DRR PLATFORM

- Topic relevance

…from emergency to development contexts

….across scales from local infrastructure to watershed level

- Exchange and mutual learning between COP in DRR and WASH/water

- Guiding tools /concepts exist, but require adjustment and advice

Platform events & products

SWISS NGO DRR PLATFORM

Events

- **F2F Advocacy for DRR: workshop and public event** (26/28 Nov. 2018)
- **LE: DRR and Fragility** (6 Nov. 2018)
