Learning Event CC/DRR and  
Fragility

Swiss NGO DRR Platform

6 November 2018

# Objective of today's learning event

To enhance mutual sharing and learning among practitioners regarding the nexus CC/DRR and fragility.

## ■ Outcomes:

- Exchange experience about practices, lessons learned and challenges in the field of CC/DRR in fragile and conflict affected situations;
- Participants have a better understanding about the interlinkages between CC/DRR and fragility;
- Participants are sensitised on how potential risks are minimized in a systematic way when planning and implementing programs in a climate and fragile affected context.
