

Resilience

21 March 2016

Bern

RESILIENCE

- Take a sheet of paper and a colored pen
- What's the first thing that comes to your mind when you hear about „resilience“? Paint/draw it on a sheet of paper (2 minutes)
- Write down your expectation on a colored card
- Intro round: Name, function, institution and explain your drawing

Objective of the workshop

- Participants have an enhanced understanding of what constitutes resilience at the community level and can apply a resilience-lens to their own working context.

Expected results of today's workshop

- Participants have a better understanding of the resilience concept and how resilience is related to DRR
- Participants identify commonalities and differences of resilience approaches and can distill first common elements of resilience
- Participants can take home ideas and guidance of how to use a resilience lens to their programming

The Swiss NGO DRR Platform

- Founded in 2011
- Currently 16 members of Swiss-based, non-for profit organizations active in Disaster Risk Reduction and Climate Change Adaptation

The Swiss NGO DRR Platform

- Network of professionals dedicated to better prepare women and men, communities and governments to all aspects of DRR and CCA
- Three main pillars of work
 - Exchange and learning
 - Conceptual support and technical advice
 - Awareness raising and advocacy

Have a great workshop!
